IAN GABRIEL C. VILLAME

Legazpi City, Albay, Philippines | 09764758864 | iangabrielcvillame@gmail.com

PROFESSIONAL SUMMARY

Information Technology graduate (Magna Cum Laude, Bicol University) with hands-on experience in full stack web development, business analysis, systems analysis & design, and project management. Skilled at translating business requirements into functional software solutions using Vue.js, Laravel, React, and RESTful APIs. Proven track record leading projects from requirements gathering through deployment.

PROFESSIONAL EXPERIENCE

Project Manager / System & Business Analyst | e-Legtas — Capstone Project, Bicol University
March 2025 – December 2025

- Coordinated with the Legazpi City CDRRMO to analyze evacuation processes and gather requirements, translating them into functional system specifications and UML documentation (SRS, use case and activity diagrams).
- Directed the project team through the Rapid Application Development (RAD) lifecycle, planning tasks and timelines and coordinating cross-functional collaboration among developers and stakeholders to ensure on-time delivery.
- Built a GIS-based web and mobile evacuation management system with real-time center mapping, automated DROMIC reporting, and role-based dashboards, streamlining coordination among CDRRMO, CSWDO, and barangay officials and earning a 4.64/5.0 “Far More Than What Is Expected” ISO/IEC 25010 quality rating.

Business Analyst & Full Stack Developer | Quennect — On-the-Job Training, Ligao City Hall
February 2026 – May 2026

- Collaborated with Ligao City HR and other LGU departments to identify recurring queuing issues across 24 Citizen's Charter offices, analyzing business processes and documenting functional requirements to design a digital solution that eliminated physical lines and manual tracking.
- Built Quennect, a unified web-based queuing system used across all city hall departments, featuring kiosk-based ticket generation, real-time queue monitoring, inter-office transaction routing, and CSM analytics dashboards, reducing wait times and giving leadership data-driven visibility into office efficiency.
- Conducted structured test case sessions with end users and LGU stakeholders across departments to validate system functionality, identify issues, and gather feedback prior to deployment.
- Authored technical documentation of the system, including functional specifications and user guides, to support knowledge transfer and ongoing maintenance by city hall IT staff.

Video Editor | On-the-Job Training, Ligao City Hall
February 2026 – May 2026

- Produced and edited videos for government programs and organizational activities, using transitions, animations, and audio enhancements to communicate key information effectively.

SKILLS

Business Analysis & Project Management: Requirements Gathering, Stakeholder Communication, Business Process Mapping, UML Modeling, System Analysis & Design, Project Planning, RAD, Jira

Frontend: React, Vue.js, JavaScript, Tailwind CSS, HTML5, CSS3

Backend: PHP, Laravel, Node.js, Express.js, Inertia.js

Database: MySQL, PostgreSQL, Supabase, MongoDB

Tools: Git, GitHub, VS Code, Postman, MySQL Workbench, pgAdmin, Vercel, Figma, Canva, Microsoft Office

EDUCATION

Bicol University College of Science — Bachelor of Science in Information Technology
2022 – 2026

- Top 1, BS Information Technology, Batch 2026 | GWA: 1.33
- Magna Cum Laude; President's Lister (A.Y. 2022–2023, A.Y. 2024–2025); Dean's Lister (A.Y. 2023–2024)
- DOST-SEI Junior Level Science Scholar (RA 7687), 2024–Present

CERTIFICATIONS

- Microsoft Certified: Azure AI Fundamentals (AI-901) — Microsoft | September 24, 2026
- AI Prompting for Automation Level III — TESDA in partnership with STI Legazpi | August – September 2026
- 2nd Place, Heroes of Innovation Challenge 2026: Ibalong Festival Hackathon — Legazpi City, Albay | August 2026
- Civil Service Eligibility – Professional Level (Honor Graduate Eligibility) — Civil Service Commission | June 2026
- Certificate of Participation, NextGenPH: Youth Innovators Reimagining Public Service — Development Academy of the Philippines (DAP) | September – November 2025
